

I should like to thank everyone who made today's event possible. To Ros & Joan for the timekeeping, Rose for acting as Recorder and getting the times back to HQ. To the two lads who did the pushing off, yet again. To all of the marshals ably led by Adrian; Paul, Andrew, Graham, Todd, my dear Dad and any others I may have missed. To all of the helpers at HQ; Andrew for his setting up of the laptops and projectors for the results board; Jeremy for his help with the results; Sheila for taking charge of the teas and cakes at short notice ably assisted by my dear Mum, both of whom joined with Sue Grant to make the delicious cakes.

Finally, thanks to all riders for supporting our event on what turned out to be another dry and sunny day.

To all prize winners having emailed results, your cheque is in the post, as they say.

We are promoting a second 10 this season on the same course on 29th September, to be run as an "Athletes 10". It will be open to road bikes only with no aero advantages allowed. Exact rules will be on our website later in the summer, but why not come along and have a bit of retro fun. No-one will be prevented from riding, but there will be substantial time penalties for each aero infringement
