I should like to thank everyone who made today's event possible. To Ros, Joan and Jan for the timekeeping, Rose for getting the times back to HQ so quickly and the two lads who did the pushing off. To all of the marshals, Dot, Paul, Andrew, the two Grahams, John and Peter. To all of the helpers at HQ, Adrian for all his help prior to the event and with the result board and to Kristina and Sheila for the teas and cakes.

Finally, thanks to all riders for supporting our event on what is not the best of courses and was certainly not the best of days (although no-one told Max or Graeme). At least it was dry and sunny. Hopefully next year we shall have an even better event for you to ride, so watch this space.

To all prize winners having emailed results, your cheque is in the post, as they say.

A pair of cycling glasses were left in the event HQ. If you can identify them to me, I'll send them back to you.
